

Clarke County Education Foundation
Fiscal Year 2016 Annual report

The Foundation has had another remarkable year with our goal to promote, augment and enhance the educational opportunities for the students of Clarke County Public Schools.

Some of our fundraising events included, but were not limited to:

Donkey Basketball
Color Me Clarke
Historic Rosemont Open House
Alamo Movie night, and
our fabulous Gala!

Our major outlay of money went to fund support of various programs through Clarke County schools. We provided \$17,600 in student scholarships and \$16,510 in project and teacher grants. Our total net assets as of June 30, 2015 were \$1,497,926. Our total net assets as of June 30, 2016 were \$1,502,667.

On a sad note, we lost Dr. Richard Lewis, a dedicated and valued member of our Board of Directors and former President of the Foundation. We celebrated Richard's accomplishments at our September, 2016 Gala, and we are immeasurably grateful for his family's continued support of the foundation.

We continue to grow as a Foundation and we are very pleased with our fundraising efforts over this past year.
